As of September 1, 2018, the telephone numbers at ALSDE have changed. The “old” numbers, however, will remain operational until September 28, 2018. The old numbers (which have a 242 or 353 prefix), have been replaced with a 694 prefix. Below is a quick reference to divisions and sections within the ALSDE. A listing of all new phone numbers will be published in the upcoming 2018-2019 Education Directory.
